Note to Carers of Vulnerable Adults:

Whilst this Club has a duty to take all reasonable steps to ensure the general welfare and protection of vulnerable adult members, in particular during the actual act of model aircraft flying and associated pre-flight and post-flight procedures, the Club will not undertake the responsibilities of those acting in the role of carers unless specifically arranged, and written permission has been given by the carer.

The policy of KRMFC is that a vulnerable adult must not be left at the flying site and must always be accompanied by a carer or other person as designated in writing to the club.

Should the vulnerable adult have any special medical or physical needs you are required to advise the Club in writing.

Should physical contact by a third party be required during model flying for instructional or any other purpose, this will be explained to you and you will be required to record your agreement in writing defining the types and limits of contact.

This membership form must be countersigned by the authorised carer of a vulnerable adult, thereby signifying acceptance of the conditions of membership.

Should you wish to discuss any issue, have any concerns or have suggestions on how we may improve our policies, then please contact: the Club Welfare Officer Neil Gourlay at: neiljohngourlay@gmail.com
